Ages: 0 through 2 years
BUILDING BLOX
celebrating each milestone with you

As a parent have you been wondering...

- How the first years of development in a child’s life affect their lifelong learning?
- Is my child meeting developmental milestones for their age?
- What foods they should be eating for their age?

We can help!

Sample Box

Board Certified Pediatrician and Registered Dietitian approved
Building Blox is a monthly delivery service that provides parents and children with age appropriate toys and foods to help babies meet their developmental and nutritional milestones.
